- 3+ years of experience working in a LAMP Stack environment
- Laravel and/or VUE.js
- BS Degree in Computer Science or equivalent experience
- Proficiency with HTML, CSS, and Javascript
- Strong understanding of object-oriented programming with PHP

Preferred qualifications:

- Experience working in ecommerce/marketing environment a plus
- Collaborative and solution driven
- Excellent Communications Skills (written and verbal)
- Ability to work effectively as part of a team
- Able to solve complex problems.

About Adaptive Health

Adaptive Health owns many of the leading wellness and nutritional supplements on the market. These brands include Nugenix®, Beneflex®, Lumiday®, Luminite®, and Peptiva®. Adaptive Health is also the owner of Instaflex®, the nation's top-selling joint support product in GNC stores.

About the Team

We're a closely-knit team of developers and designers based conveniently in Back Bay, running the technology arm of an analytics-based marketing company.

Dress code is casual, team-wide lunches regular, ping-pong matches are highly competitive, and after-work social gatherings occur often.

We work out of a spacious, loft-style office on Boylston Street with floor-to-ceiling windows and plenty of natural light, a stocked kitchen and close proximity to lots of good food and gyms. We will provide the selected candidate a workstation of their preference.

Adaptive Health is committed to offering their employees competitive compensation and benefit packages. Medical, Dental, Life Insurance, Short Term Disability, 401K, generous PTO, Vacation Reimbursement Program, and more!

Adaptive Health requires that candidates provide authorization and consent to a background check to continue in the selection process. All employment offers are contingent on meeting our background check standards. If hired, you will be required to provide documentation indicating your legal right to work in the U.S. which may be verified through Adaptive Health's participation in the E-Verify program.

As an Equal Opportunity employer, Adaptive Health provides an environment that promotes individual recognition and achievement. We recruit, hire, train, compensate and promote associates without regard to race, sex, color, religion, age, national origin, disability or protected veteran status.
